DOMINION FOOD PARCELS

Mrs. A. O. Parsons and Mrs. R. E. Lantz received word from their mother, Mrs. Sutton, in England, stating that she had received one of 25,000 parcels sent to "Mother Elizabeth" as was arranged with M. S. Sutton, who is 83 years old. She said the parcel contents were lovely. The following letter was sent with the parcel:

Buckingham Palace
Many kind friends often send me gifts of food at the time of my birthday, but I always distribute the food as best I can and never keep it for myself. I am very fortunate in having friends with whom I share my good fortune with others. I therefore ask you to return this parcel with my very best wishes.

"PIONEER'S" ADDITIONAL PAYMENT ON OATS AND BARLEY

Some months ago we made an interim payment of 12 cents on oats and 10 cents on barley, and advised all customers that final payment would be made later.

Cheques are now in the hands of all agents for this final distribution. It will be appreciated if you will call and pick up your cheque.

This payment plus the initial interim payment makes a total of 13½c per bushel on oats, and 16½c per bushel on barley.

We are happy to announce that "Pioneer" customers are receiving more per bushel than the distribution made by any other Pool or Line elevator operators in Saskatchewan or Alberta.

IT PAYS TO PULL TO THE "PIONEER"

The Federal Government promised to make a payment to farmers on oats and barley, delivered at ceiling prices between August 1st and October 21st, 1947, after the Elevator Companies had made an adjustment. This has now been done and we therefore trust the Federal Government will implement its promise in the near future.
